## Charging and Remissions Policy

September 2020

Review date: September 2021

### 1. INTRODUCTION

The Head Teacher and Governing Board of Outwoods Primary School recognise the value of providing a wide range of experiences to enrich and extend pupils' learning and to contribute to their personal development. The Head Teacher and Governing Board aims to promote and provide such experiences for the pupils of the school, both as part of a broad and balanced curriculum and as additional optional activities.

However, many of these activities have an associated cost and cannot be provided unless voluntary contributions are received or parents are charged for the cost.

This policy will set out the circumstances in which charges will or will not be made for school activities and when charges may be waived in order to ensure that all pupils have an equal opportunity to benefit from school visits, curricular and extra-curricular activities.

### 2. STATEMENT:

Our policy complies with the requirements of the Education Act 1996 and where 'parent' is referred to this will include adults with a legal responsibility for the pupil including 'carer'.

We aim:-

- ☑ To make school activities accessible to all pupils regardless of family income
- ☑ To encourage and promote external activities which give added value to the curriculum
- ☑ To provide a process which allows activities to take place at a minimum cost to parents, pupils and the school
- ☑ To respond to the wide variations in family income while not adding additional unexpected burdens to the school budget

☐ optional extras (section 5)

☐ music or vocal tuition (section 8).

5. Activities that take place outside of school hours (non-residential)

The cost of optional extras

The head teacher will decide when it is necessary to charge for optional activities.

Any charge made in respect of individual pupils will not exceed the actual cost of providing the optional extra activity, divided equally by the number of pupils participating. In no circumstances will

there be an element of subsidy required for any pupils wishing to participate in the activity whose parents are unwilling or unable to pay the full charge (section 12).

When calculating the cost of optional extras an amount may be included in relation to:

any materials, books, instruments or equipment provided in connection with the optional extra

non-teaching staff

teaching staff engaged under contracts for services purely to provide an optional extra, including supply teachers engaged specifically to provide the optional extra

the cost, or a proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, where the tuition is an optional extra.

Participation in any optional extra activity will be on the basis of parental choice and a willingness to pay the charges. The school will need to have the agreement of parents before organising the provision of an optional extra where charges will be made.

#### 6. Activities that take place partly during school hours either on or off site

Where the majority of a non-residential activity takes place during school hours the charging of the activity will be the same as is outlined in section 4.

Travelling time is included in time spent on activity.

In cases where the majority of a non-residential activity takes place outside of school hours the charge cannot include the cost of alternative provision for those pupils who do not wish to participate. So no charge can be made for supply teachers to cover for those teachers who are absent from school accompanying pupils on a visit.

In this case the charging of the activity will be the same as is outlined in section 5.

#### 7. Residential activities

Our school will not charge for:

education provided on any visit that takes place during school hours

education provided on any visit that takes place outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education

supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential visit

residential activities that take place during school hours.

Our school will charge for:

Board and lodging

When any visit has been organised by the school where there may be a cost for board and lodging, parents will be informed of this before the visit takes place. We will charge anything up to the full

cost of board and lodging on residential visits, whether it is classified as taking place during school hours or not. The charge will not exceed the actual cost.

#### Travel

Travel charges may apply when the residential activity takes place outside of school hours. The amount charged will be calculated to cover the unit cost per pupil. These charges may not apply to those pupils entitled to remissions, but no other pupils will be charged extra to cover those costs.

#### Activities

The school may charge for residential activities that fall outside of school hours (see section 5).

#### 8. Music tuition within school hours

Outwoods Primary School follows government legislation that states that all education provided during school hours must be free; however, music lessons are an exception to this rule.

Charges will be made if the teaching is not an essential part of either the National Curriculum or a public examination syllabus being followed by the pupil(s), or the first access to the Key Stage 2 Instrumental and Vocal Tuition Programme (Wider Opportunities).

The school may charge for teaching requested by parents and delivered by specialist tutors given to either an individual pupil or groups of any appropriate size (provided that the size of the group is based on sound pedagogical principles) to play a musical instrument or to sing. The cost of these lessons may depend on the size and duration of the class as well as the type of instrument.

The school will not charge if the music tuition is part of the National Curriculum or public examination syllabus being followed by the student.

Outwoods Primary School is dedicated to ensuring equal opportunities for all pupils including access to specialised music tuition, therefore charges made for music tuition within school hours will be remitted for pupils on free school meals.

There is no charge for vocal or instrumental tuition for children in care. This includes instruments, music books and exam fees.

#### 9. Extended services

Date September 2019 Charging and Remissions Policy 5 of 6

Outwoods Primary School is dedicated to providing a well-rounded and extensive education for our students which includes a wide range of extra-curricular activities (extended services). Extended services enable our school to provide:

- ☑ high-quality learning opportunities either side of the school day
- ☑ ways of intervening early when children are at risk of poor outcomes, e.g. by providing access to study support, parenting support or to more specialist services (such as health, social care or special educational needs services)
- ☑ ways of increasing pupil engagement
- ☑ ways of improving outcomes and narrowing gaps in outcomes between different groups of pupils.

Outwoods Primary School provides a breakfast club that is open to all children from reception to Year 6. It runs from 7.45am every day at a charge of £4.00 per session. This is to cover the cost of staffing and resources.

The total charge will not exceed the cost of providing the activity and no parent will be asked to subsidise others.

#### 10. Damage to property and breakages

Where school property has been wilfully or recklessly damaged by a student or parent the school may charge those responsible for some or all of the cost of repair or replacement.

Where property belonging to a third party has been damaged by a pupil, and the school has been charged, the school may charge some or all of the cost to those responsible.

Whether or not these charges will be made will be decided by the head teacher and dependent on the situation.

#### 12. Voluntary contributions

The school may ask for voluntary contributions to the school for general funds and/or to fund activities that will enrich our pupils' education.

In any case where an activity cannot be afforded without voluntary funding, this will be made clear to the parents by the school. If the activity is cancelled all monies paid will be returned to parents.

There is no obligation for a parent or carer to make any contribution and the school will in no way pressure parents to make a contribution.

#### 13. Inability or unwillingness to pay

Outwoods Primary School is committed to ensuring fair access and treatment of all pupils, and this means ensuring that no child is excluded from an activity because the parents or carers of that child are unwilling or unable to pay. If there is insufficient funding for an activity, then it will be cancelled.

The identity of the child or parents of the child who did not want to make the payment, or could not make the payment, will not be disclosed under any circumstances.
