Outwoods Primary School Newsletter

13th July 2018

Dear Parents/Carers

Welcome to the final newsletter before we break for the summer holidays. This has been an action packed half term where our children have taken part in many sporting events, representing our school with pride. There have been two cricket events at Edgbaston, a rounders tournament, area athletics, cross country, and of course our own sports day. It was so exhausting, but at least we had super weather to enjoy these events. Well done to everyone involved!

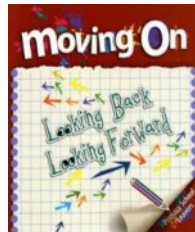

Finally, I would just like to say something about our super Carnival Day. It was a huge success and we are definitely planning to repeat this wonderful event. The square had a fantastic atmosphere as our children entertained folk from the town, and the positive feedback we have received was so heartwarming and made us very proud. The subsequent Summer Fair raised over £1000 for the school and I would like to thank the staff, children and parents/carers for all of their time and effort they provided before and on the day.

Year 6 Leavers

We would like to take this opportunity to wish all of our year 6 who are leaving us, the very best of luck as they head off to their respective high schools. We know this is a big step and can be daunting, however we also know it is a very exciting time for them. We will miss all of them, and hope they pop back to see us from time to time. Remember you will always be part of the 'Outwoods family'!
