Outwoods Primary School Newsletter

12th July 2019

Dear Parents/Carers

Welcome to the final newsletter before we break for the summer holidays. Last night we enjoyed a fabulous performance by our year six children - very entertaining indeed! The singing and acting were fantastic - although the jokes were a bit corny! Well done everybody, we are very proud of you.

Even though it rained on our parade, the carnival was a huge success and we are definitely planning to repeat this wonderful event. The square had a fantastic atmosphere as our children entertained folk from the town, and the positive feedback we have received made us very proud. The Summer Fair and barbecue raised valuable funds for the school and I would like to thank the staff, PTA, children and parents/carers for all of their time and effort they provided before and on the day. Once again, well done Team Outwoods.

And finally, a word about the wonderful children. This year our end of year results are better than ever and we are very proud of the progress made by the children with their learning. We look forward to moving on to even greater success next year. Have a wonderful and well-earned Summer break.

Year 6 Leavers

We would like to take this opportunity to wish all of our year 6 who are leaving us, the very best of luck as they head off to high school. We know this is a big step and can make you a bit nervous, however we also know it is a very exciting time for all of you. We will miss you and hope you pop back to see us from time to time. Remember you will always be part of the 'Outwoods family'!

Goodbye and Good Luck

This year we are saying goodbye to Mrs Pallett and Mrs Court as they have decided to retire. Both of them have provided a great deal of support over many years to children at Outwoods. We would like to wish them 'all the best' in their retirement and hope they both keep in touch.
