

Outwoods Primary School

Newsletter

April 27th 2020

I am so proud to be the head teacher of Outwoods Primary School- but I can't quite believe that 4 weeks after I got the job schools have closed down and the world is a very different place today than we have ever known!

I am missing the children so much but it is lovely to get emails and work sent to me— reminding me that there is so much to be positive about, so much to celebrate in our community and so much love and support for each other at this difficult time.

Social Media

During this lockdown period I know that many children are communicating with each other via social media, snapchat, whatsapp, tiktok and a new app called discord. (<https://www.commonsemmedia.org/blog/parents-ultimate-guide-to-discord>)

PLEASE keep checking these apps- however secure they claim to be you need to make sure your children are always safe.

Warwickshire have a dedicated Facebook page to help you ensure that your children are protected whilst on the internet; <https://www.facebook.com/stayingsafeonline>

Competition Time!

As the weather is so nice and I know that you have all been outside lots and lots- get involved and send me a picture of an owl that you have created out of nature. All pictures will be displayed and a prize will go to the winners.

Send your entries to;
head2083@welearn365.com
Entries in by; 10th May.

Help and Support

Don't forget to look at our Website <https://www.ops.warwickshire.sch.uk/> . On the Parent Information page you will find lots of links to places where you can get financial and emotional support, and remember there is always someone in school who can talk to you and help you at this difficult time.

STAY SAFE, STAY INDOORS, STAY IN TOUCH!
