# Outwoods Primary School

## Newsletter

23rd October 2020

Dear Parents/Carers, We are approaching the half term holiday and I wish every child, parent and member of the school community a restful and safe week.

We are lucky in Atherstone to be living in an area of slower Covid growth than other places in the country, however we must always be careful and remember HANDS, FACE, SPACE at all times. If you are concerned over half term, or have a positive test result please let me know on head2083@welearn365.com. This will help us to keep everyone safe and well.

Mrs Taylor

You do not have to make your children into wonderful people. You just have to remind them that they are wonderful people. If you do this consistently from the day they are born they will believe it easily. - William Martin

After half term we will be using TEAMS to communicate home work and home learning. Years 4, 5 and 6 have already had a go at this and we will be sending out information about this to other year groups shortly. TEAMS is accessed via your child's school email and it will allow your child to directly communicate with their teacher, receive feedback and make learning much clearer if (or when) we do have to isolate any bubbles.

### 'The Outwoods Way'

Please remind yourselves of 'The Outwoods Way' (see over) these are the statements that underpin everything we do in school, talk about them with your child. The good behaviour in school means that we have a calm and happy ethos - this takes lots of hard work and YOUR children follow 'The Outwoods Way' brilliantly.

### Rudolph Cards Project 2020

We are pleased to announce that we are once again taking part in the RUDOLPH CARDS Project! Your child has designed a special picture which can be printed on to their very own packs of Christmas Cards, a Ceramic Mug, Teddies, Tote Bag or Coasters. Perfect for family and friends this coming Christmas Season! Their design along with the order form will be coming home TODAY - Friday 23rd October! **The deadline date to return orders is**

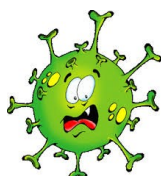

**Monday 2nd November**

(straight after half-term) We can't wait to see what their fabulous designs will become!!

### REMINDER: Nasal Flu Vaccinations

The School Immunisation Team will be here on Wednesday 25th November to see children in Reception to Year 6. More info will be given out nearer the time.

### Thank you...

....to everyone who came to our Halloween film night - the children thoroughly enjoyed it and we raised £500.00 for school fund. This money will go straight back into every pupil providing them with support for home learning (when it is needed) and access to quality books as many of our children have put in orders for new texts - we are now able to buy them!
